An appeal for your contribution to the Senior Citizens Home at Mathipalayam, Coimbatore

The Coimbatore District Welfare Association(CDWA) has been successfully running a Senior Citizens Home on the Perur – Siruvani Road at Mathipalayam Village for the past fifteen years.

Forty (male and female) senior citizens from the underprivileged sections of society have made it their home and reside in a calm and peaceful atmosphere with dignity.

This home is entirely free for all its residents. The home is maintained primarily through donations from philanthropists and it costs CDWA approximately Rs.2500/- per day to run the Home.

We seek your participation and support in running the home. You can now bring joy into the lives of these Senior Citizens by contributing Rs.2500/- to CDWA to take care of the expenses of the home on a day that is special to you – a birthday, wedding anniversary, remembrance day, or any memorable day in your life. We also invite you to visit the home on that day and have breakfast with the residents.

All contributions to the Coimbatore District Welfare Association are exempt from Income Tax under section 80G of the Income Tax Act.

The senior citizens of today were the ones that helped us during the morning of our lives. Isn't it our turn to help them during the evening of theirs? The cycle of life shall continue on.

Sincerely,

Mohan Sankar

Vice Chairman
